# GETTING YOU THERE WITH ENERGY TO SPARE

The Segway® Personal Transporter (PT) Patroller is the world's #1 personal transportation solution for the public safety market. It was designed with the specific input of experienced law enforcement and security professionals to optimize the patrol experience.

The i2 SE Patroller is uniquely designed for law enforcement, private security, emergency services and more. It offers the ultimate maneuverability and, with its charge anywhere technology, nearly unlimited range.

A force multiplier, the PT Patroller allows officers to be a positive presence while also enabling them to easily move through almost any environment. Learn more at [www.segway.com](http://www.segway.com).

The x2 SE Patroller is built tough for more rugged terrain. It's equipped with ATV-style tires, which make it the perfect patrolling tool. Whether you're patrolling a park, wooded trail, construction site or city sidewalk the x2 SE Patroller can get you where you need to be.
