

SEGWAY®

SPEC SHEET SE-3 PATROLLER

COMMUNITY POLICING ON THREE WHEELS

The SE-3 Patroller is a natural extension of Segway's Patroller product line.

It's an ideal match for missions that require a large yet versatile vehicle, with a significant command presence, even in a parked position without a rider.

The SE-3 Patroller is also a great solution for patrols that require a rider to frequently mount and dismount the vehicle during a patrol.
